*MULTI DISCIPLINARY WORKSHOP

ART / MEDIA / NARRATION

The animation film, digital arts, drawing, installation-performance, painting, photography, sculpture and videography orientations are supported by the ART multidisciplinary workshop.

The digital design, graphic design and typography orientations are supported by the MEDIA multidisciplinary workshop.

The animation film, comics, illustration, photography and videography orientations are supported by the NARRATION multidisciplinary workshop.

Animation, photography and videography students can therefore choose between ART and NARRATION as a multidisciplinary workshop.
