	Art Clusters & Multidisciplinary Workshop
	Art, Narration, Media
	The clusters – "pôles" – are meeting points and places of convergence between several
	orient- ations. Their role is to confront
	and blend know- ledge and practices. Each
	cluster possesses its specific, multidisciplinary workshop.
	multiuscipiinary workshop.
	Orientations
	Students choose one orientation among the
	13 proposed, each of which is linked to a cluster. To allow students to choose with
